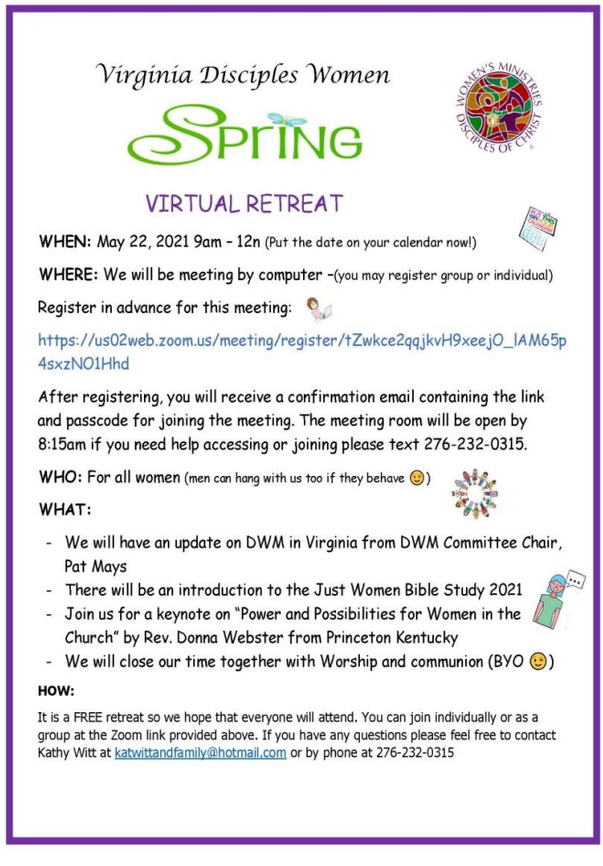
Post-Acute COVID Syndrome" or "Long-Hauler" group on Facebook


Tommy Willcockson (Zion Christian Church, Beaverdam, VA) has started a "Post-Acute COVID Syndrome" or "Long-Hauler" group on Facebook. This syndrome presents differently in different people. Some symptoms are irritating and some are life threatening, but the one thing that all seem to have in common is the medical community's replay: "I don't know...we will have to watch and see." If you wish to join this private group, you can go to: **https://www.facebook.com/groups/2786783151564194** and ask to be admitted.
