THANK YOU

Dear Church Family,

We just wanted to say THANK YOU (especially to the choir) for the beautiful plaque you had made in memory of our mother. It is such a heart-felt gesture of love. Mom loved being part of the choir. Though I know many hours of preparation, practice, and planning go into being in the choir, I can't really say it was a "labor of love" because mom never considered any of it labor. To her, it was a privilege. She would come home from either practice or service and hum/sing the songs for hours after. She also loved giving Christmas gifts to her fellow choir members (she thought those little flashlights were the best thing since sliced bread). The anthem of two of mom's favorite hymns was beautiful and I'm pretty sure the reflection of the cross on the wall of the choir loft during the beginning of the service was mom's way of saying "I'm here." The food at the reception following the dedication of the plaque was delicious. Thank you to all who planned and participated in it. Thank you to all who stayed, shared "Helen" stories, and allowed us to partake in Christian fellowship. We are so very grateful for our Christian family. So once again, from our hearts...
Thank you all so very much.

The Dudley Family
