HABITAT FOR HUMANITY

Did you know by donating your vehicle to Habitat you can help build and repair affordable homes while also helping the environment?

Since launching the national vehicle donation program, Cars for Homes, in 2005, Habitat has accepted over 120,000 vehicles for reselling or recycling, raising funds for Habitat to partner with local families to build stability and security that a safe affordable home allows.

We make it **fast and easy to donate a vehicle** and you may [qualify for a tax deduction](#). Your vehicle donations raised over \$30 million in just the last five years!
