## THANK YOU

Dear Church,

I wish to thank you for all of your support, with food, labor and donations in preparing for Rev. Hamilton's memorial service. It was much appreciated by Membership, Worship and the family. It gave us a chance to give back to the Hamilton family for all the years that they have given to us.

## WORK WEEKEND

### Calling All Virginia Disciples:

More than ever I need your help as we continue with plans to improve the facilities of Craig Springs. Last week a mission crew from Iowa spent a whole week getting us started on Oak Lodge and inspiring us to see that together with God, we can make things happen. The pictures below list out the different projects we are hoping that Disciples groups across the region might adopt in work or funding. We have scheduled a long work weekend on Memorial weekend, but if you want to come another time that works too. Our focus on Oak is designed to make it more adult friendly (not to exclude using it for camp as well) so that other groups might be willing to rent the facility and thereby protect the future of our camp ministry. Take a look at the pictures (projects) and let me know if you or your church/family/camp friends might be willing to take on a project. I have adopted the sealing of the wood floors because I believe deeply in this project and the ministry of this Holy Ground.

P.S.: On Memorial weekend, we will feed you and provide a taste of the Holy through worship and fellowship.

Please call Mary or Sue at the Regional office at 434-846-3400 to register for the weekend, or go to this link for the registration form and fill it out that way:
